

Quick Reference Guide: Accessing MITS Secure Portal from PNM

Step 1	Access the PNM login page through the OH ID portal https://ohid.ohio.gov/wps/portal/gov/ohid/home Log in using your credentials (username and password) Click “Log In”	
Step 2	Click the “My Apps’ option at the top of the page	

Step 3	Locate the Provider Network Management (PNM) app Click “Open App”	 The screenshot shows a 'My Apps' interface. At the top, it says 'Click the star to pin your favorite apps to the top of the page.' Below this is a card for the 'Provider Network Management' app. The card features the Ohio Department of Medicaid logo, the app name 'Provider Network Management', and the subtitle 'OMES PNM Module'. At the bottom of the card are two buttons: 'Details' and 'Open App'.
Step 4	Read the PNM Terms of Use Agreement and click on the check box next to the statement “Yes, I have read the agreement”	 The screenshot shows a 'Terms' section with a blue header. The text reads: 'Whoever knowingly, or intentionally accesses a computer or computer system without authorization or exceeds the access to which that person is authorized, and by means of such access, obtains, alters, damages, destroys, or discloses information, or prevents authorized use of the information operated by the State of Ohio, shall be subject to such penalties allowed by law. All activities on this system may be recorded and/or monitored. Individuals using this system expressly consent to such monitoring and evidence of possible misconduct or abuse may be provided to appropriate officials. Users who access this system consent to the provisions of confidentiality of the information being accessed, but have no expectation of privacy while using this system.' Below the text is a checkbox labeled 'Yes, I have read the agreement'. At the bottom right is a 'Cancel' button.

Step 5	Click on the Registration ID (Reg ID) hyperlink or the Provider Name hyperlink, located in the left-hand columns	
Step 6	Click on the plus sign (+) next to the word Self Service From the menu that displays select one of the following: Remittance Advice, Recipient Eligibility, Claims, Prior Authorization, or Hospice This action will navigate you outside of the PNM system to the MITS secure portal	

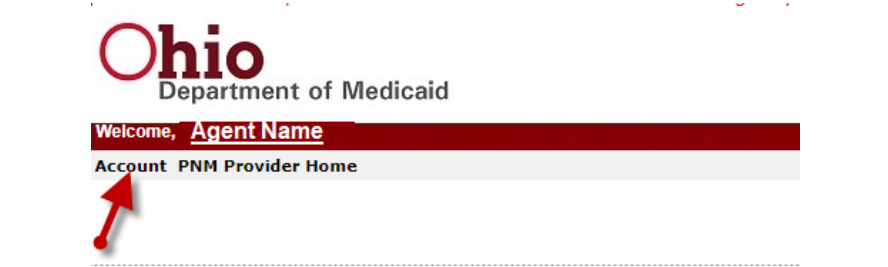

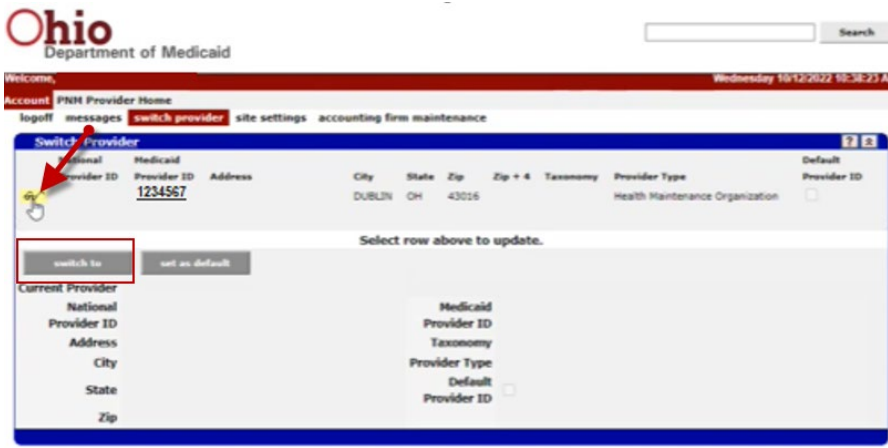

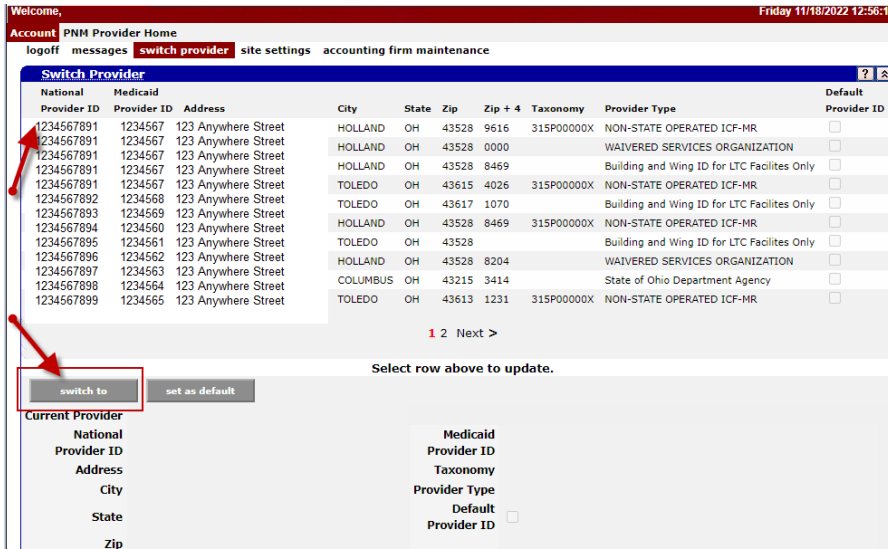

Step 7

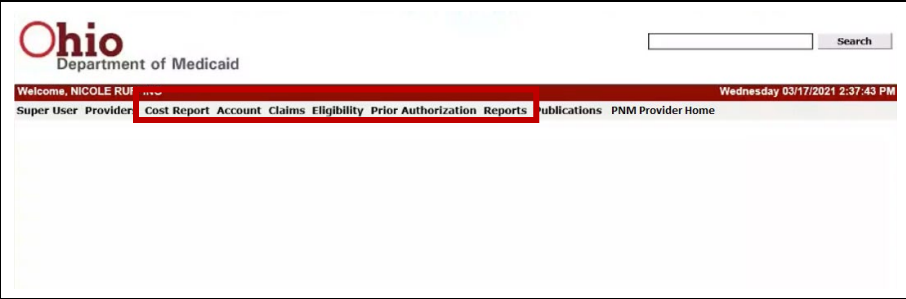

If signing in as the provider Administrator, the main provider page displays, and the Administrator user can navigate to their preferred option and continue to navigate as they normally would in the MITS secure portal

Note: Depending on the provider type the user may see other navigational links in their menu bar

The screenshot shows the Ohio Department of Medicaid Provider Home page. At the top, there is a search bar and a "Search" button. Below the header, a navigation menu includes links for Providers, CPC, Performance, Account, Episode Claims, Eligibility, Reports, Publications, Trade Files, PDR, and Provider Home. The main content area displays the provider's Name, Provider ID, and Zip Code (43016). A message states: "You can view your Remittance Advices by clicking Reports on the menu bar." Below this, a "Messages" section shows "*** No news found ***". A "Claim Activity Summary" table is displayed, showing various claim statistics for the current and past 12 months. On the right side, there is a "Quick Links" section with links to ODM Provider Page, Provider Enrollment, Medicaid Managed Care Program, 1099 Information, and Fee Schedules.

Claim Activity Summary

Step 7a	If an Agent user sees only the “Account” link when they are transferred to the MITS Secure Portal, click on the “Account” link, and select “Switch Provider” This displays the list of providers for whom the Agent has been authorized to perform tasks	 The screenshot shows the Ohio Department of Medicaid portal. At the top, there is a red navigation bar with the 'Account' link highlighted. A red arrow points to this link. Below the navigation bar, the text 'Welcome, Agent Name' is visible, followed by 'Account' and 'PNM Provider Home'.
Step 7b	For some Agents the Switch Provider screen displays automatically Depending on the role assignment, the Agent may see an “eye-glass” icon next to the provider Clicking on the eye-glass icon next to the provider will activate the [Switch To] button below the provider listing where the proper provider can be chosen	 The screenshot shows the 'Switch Provider' screen. A table lists providers with columns for National Provider ID, Medicaid Provider ID, Address, City, State, Zip, Zip + 4, Taxonomy, Provider Type, and Default Provider ID. An eye-glass icon is visible next to the first provider record. Below the table, there are buttons for 'switch to' and 'set as default'.
Step 7c	Some Agents will see provider listing without an eye-glass icon Clicking the provider record will activate the [Switch To] button Click the switch to button to navigate to the provider’s profile	 The screenshot shows the 'Switch Provider' screen with a table of providers. The first provider record is selected, and the 'switch to' button is highlighted with a red arrow. The table columns are the same as in the previous screenshot.

Step 8	Once the [Switch To] button has been selected, the MITS secure portal screen displays for the user Note: Available links in MITS are determined by the Provider Administrator and the roles assigned to the Agent in PNM by the Administrator	
Step 9	Select the link for your business purpose For example, clicking on the “Eligibility” link will display a drop-down menu for all the eligibility functions assigned to the Agent In the example to the right, the Agent has been authorized to view a recipient’s eligibility information
