Overview

The PDMS Web Portal user guide provides step by step instructions on how to submit an electronic application. The PDMS dashboard displays data for each stage of the enrollment process and allows providers to start a new application or take action on previously submitted applications and re-enrollments. From their dashboard, Provider Enrollment Specialists can view the current status of new provider applications as well as initial/ongoing re-enrollments. Their dashboard tracks the aging of each provider application based on the workflow step/status of the application.

Creating a User Account

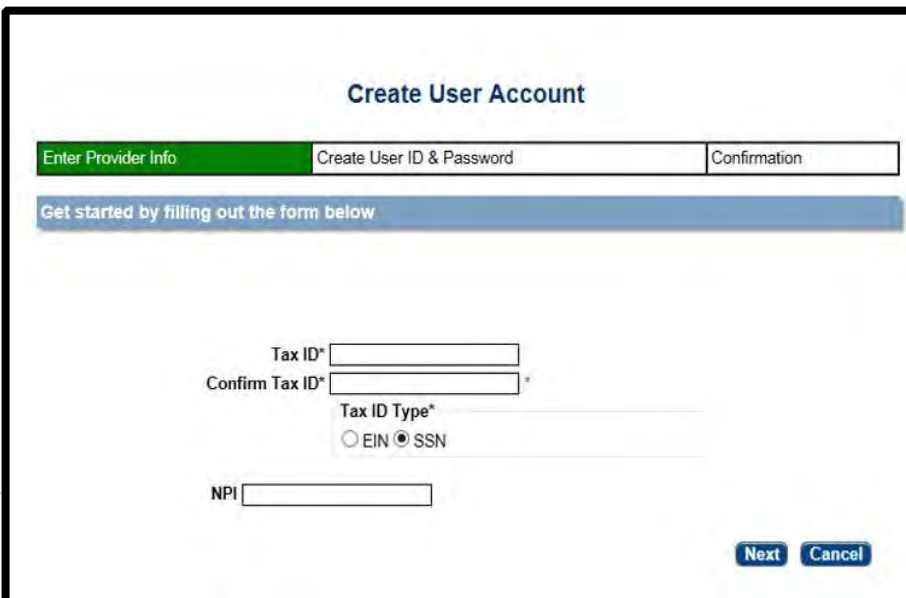

The first step to submitting an online application is to create User Account in the DC Provider Data Management System (PDMS) Web Portal.

Click on Create Account

The screenshot shows the 'Log In' page of the PDMS Web Portal. A red arrow points to the 'Create Account' link in the text 'Please enter your User ID and Password. [Create Account](#) if you don't have an account.' Below this is a form titled 'Account Information' with fields for 'User ID' and 'Password'. There are also links for 'Forgot Password?' and 'Forgot User ID?'. At the bottom of the form are two buttons: 'Log In' and 'Unlock User'.

- Enter your Tax ID – Either your Social Security Number (Individual) or EIN (Organization)
- Select the correct Tax ID Type
- Enter your NPI
- Click Next

The screenshot shows the 'Create User Account' page. At the top, there is a progress bar with three steps: 'Enter Provider Info' (highlighted in green), 'Create User ID & Password', and 'Confirmation'. Below the progress bar is a blue banner that says 'Get started by filling out the form below'. The form contains the following fields: 'Tax ID*' (text input), 'Confirm Tax ID*' (text input with an asterisk), 'Tax ID Type*' (radio buttons for 'EIN' and 'SSN', with 'SSN' selected), and 'NPI' (text input). At the bottom right of the form are two buttons: 'Next' and 'Cancel'.

Creating a User Account – Cont.

After successfully creating the account, a notification will appear and a confirmation email will be sent to the email address provided.

The screenshot shows a web interface titled "Create User Account". At the top, there are three tabs: "Enter Provider Info", "Create User ID & Password", and "Confirmation". The "Confirmation" tab is active and highlighted in green. Below the tabs, there is a blue header bar that says "Confirmation - Next Steps". The main content area contains the following text: "Your online account creation was successful.", "A confirmation email was sent to the email address used during account creation.", and "Please refer to the email for instructions on activating your account." At the bottom right, there is a blue button labeled "Return to Home Page".

The email contains a link to the Web Portal to log in to your account using the User Name and Password you created.

- Enter the User ID and Password you created
- Click Log In

The screenshot shows a web interface titled "Log In". At the top, there is a message: "Please enter your User ID and Password. [Create Account](#) if you don't have an account." Below this, there is a section titled "Account Information" which contains two input fields: "User ID" with the text "jsmith" and "Password" with masked characters "••••••••". Below the password field, there are two links: "[Forgot Password?](#)" and "[Forgot User ID?](#)". At the bottom left, there is a blue button labeled "Log In", and at the bottom right, there is a blue button labeled "Unlock User".

Reactivating Terminated Providers

If you are a terminated provider who would like to reactivate your provider file, for the purpose of completing a reenrollment or submitting an updates in the Provider Data Management System. Please follow the instructions listed below.

1. Login to your provider file using your user ID and password.

Note If it has been over 60 days since your termination, there will be a gap in your enrollment with DC Medicaid from your termination date to your re-enrollment date.

The screenshot shows a 'Log In' page with the title 'Log In' at the top. Below the title, it says 'Please enter your User ID and Password. [Create Account](#) if you don't have an account.' There is a section titled 'Account Information' containing two input fields: 'User ID' with the text 'jsmith' and 'Password' with masked characters. Below these fields are two links: 'Forgot Password?' and 'Forgot User ID?'. At the bottom of the form are two buttons: 'Log In' and 'Unlock User'.

2. Under the Manage Provider section you will see the hyper link **Reactivate Provider** click it.

The screenshot shows a 'Manage Provider' section with a blue header. Below the header, there are two links: 'View Provider File' and 'Reactivate Provider'. The 'Reactivate Provider' link is highlighted with a yellow background. A red arrow points to this link. To the right of the links, there is a note in red text: 'Note that if it has been over 60 days since your termination, there will be a gap in your enrollment with DC Medicaid from your termination date to your re-enrollment date.'

3. After clicking **Reactivate Provider** you will be able to complete the provider reenrollment or update in the Provider Data Management System.

Provider Release of Information Felony/Misdemeanor Statement

☐ I agree that information provided can be used to obtain information to complete background checks which are required for approval as a provider. Form MC-199 is used to obtain information to complete background checks which are required for approval as a provider. This form is used to allow potential and renewing providers and/or their employees to self-disclose any current charges, pending indictments or any convictions they have had. Individual providers must complete the form every 12 months before their provider service agreement may be signed or renewed. For providers who provide the service in their home, each household member must also complete the form at the same time. Assisted Living providers must have each employee complete this form annually.
