Overview

The PDMS Web Portal user guide provides step by step instructions on how to submit an electronic application. The PDMS dashboard displays data for each stage of the enrollment process and allows providers to start a new application or take action on previously submitted applications and re-enrollments. From their dashboard, Provider Enrollment Specialists can view the current status of new provider applications as well as initial/ongoing re-enrollments. Their dashboard tracks the aging of each provider application based on the workflow step/status of the application.

Creating a User Account

The first step to submitting an online application is to create User Account in the DC Provider Data Management System (PDMS) Web Portal.

Click on Create Account

The screenshot shows the 'Log In' page of the PDMS Web Portal. At the top, there is a 'Log In' link. Below it, a message says 'Please enter your User ID and Password. [Create Account](#) if you don't have an account.' A red arrow points from the 'Create Account' link to the 'Log In' link. Below the message is a section titled 'Account Information' containing two input fields: 'User ID' and 'Password'. Below these fields are two links: 'Forgot Password?' and 'Forgot User ID?'. At the bottom of the section are two buttons: 'Log In' and 'Unlock User'.

- Enter your Tax ID – Either your Social Security Number (Individual) or EIN (Organization)
- Select the correct Tax ID Type
- Click Next

The screenshot shows the 'Create User Account' page. At the top, there is a title 'Create User Account'. Below it are three tabs: 'Enter Provider Info' (highlighted in green), 'Create User ID & Password', and 'Confirmation'. Below the tabs is a blue bar with the text 'Get started by filling out the form below'. Below the bar is a form with two fields: 'Tax ID*' and 'Tax ID Type*'. The 'Tax ID*' field contains the text '77777777'. A red arrow points from the 'Tax ID*' field to the 'Tax ID Type*' field. The 'Tax ID Type*' field has two radio buttons: 'EIN' and 'SSN'. Below the radio buttons are two buttons: 'Next' and 'Cancel'. A note on the right side of the form says '* Designates a required field'.

- Enter all required information – see example below
- Click Register

After successfully creating the account, a notification will appear and a confirmation email will be sent to the email address provided.

The screenshot shows a web page titled "Create User Account". At the top, there are three tabs: "Enter Provider Info", "Create User ID & Password", and "Confirmation", with the "Confirmation" tab highlighted in green. Below the tabs, a blue header reads "Confirmation - Next Steps". The main content area contains three lines of text: "Your online account creation was successful.", "A confirmation email was sent to the email address used during account creation.", and "Please refer to the email for instructions on activating your account." At the bottom right, there is a blue button labeled "Return to Home Page".

The email contains a link to the Web Portal to log in to your account using the User Name and Password you created.

- Enter the User ID and Password you created
- Click Log In

The screenshot shows a web page titled "Log In". Below the title, it says "Please enter your User ID and Password. [Create Account](#) if you don't have an account." There is a section titled "Account Information" containing two input fields: "User ID" with the text "jsmith" and "Password" with masked characters "*****". Below these fields are two links: "[Forgot Password?](#)" and "[Forgot User ID?](#)". At the bottom left is a blue button labeled "Log In", and at the bottom right is a blue button labeled "Unlock User".
