Overview

The PDMS Web Portal user guide provides step by step instructions on how to submit an electronic application. The PDMS dashboard displays data for each stage of the enrollment process and allows providers to start a new application or take action on previously submitted applications and re-enrollments. From their dashboard, Provider Enrollment Specialists can view the current status of new provider applications as well as initial/ongoing re-enrollments. Their dashboard tracks the aging of each provider application based on the workflow step/status of the application.

Creating a User Account

The first step to submitting an online application is to create User Account in the DC Provider Data Management System (PDMS) Web Portal.

Click on Create Account

The screenshot shows the 'Log In' page of the PDMS Web Portal. At the top, there is a 'Log In' link. Below it, a message says 'Please enter your User ID and Password. [Create Account](#) if you don't have an account.' Underneath is a section titled 'Account Information' containing two input fields: 'User ID' and 'Password'. Below these fields are two links: '[Forgot Password?](#)' and '[Forgot User ID?](#)'. At the bottom of the section are two buttons: 'Log In' and 'Unlock User'. A red arrow points from the top right towards the 'Log In' link.

- Enter your Tax ID – Either your Social Security Number (Individual) or EIN (Organization)
- Select the correct Tax ID Type
- Enter your NPI
- Click Next

The screenshot shows the 'Create User Account' page. At the top, there is a title 'Create User Account'. Below it is a progress bar with three steps: 'Enter Provider Info' (highlighted in green), 'Create User ID & Password', and 'Confirmation'. Below the progress bar is a blue banner that says 'Get started by filling out the form below'. The form contains several fields: 'Tax ID*' (input field), 'Confirm Tax ID*' (input field with a red asterisk), 'Tax ID Type*' (radio buttons for 'EIN' and 'SSN', with 'SSN' selected), and 'NPI' (input field). At the bottom right of the form are two buttons: 'Next' and 'Cancel'.
